

Youth Bound Over To Grand Jury For Robbery

William E. Everts, 18, of 2227 East 23rd street, was bound over to the Madison county grand jury Monday afternoon by Police Magistrate Gasparovic in connection with the armed robbery of two teenage Granite City newspaper boys last Saturday night.

He was released on \$1000 property bond. A companion, David R. Hastings, 16, of 4708 Kirkpatrick homes, was released a short time later to his parents and was referred to the family court.

The two have admitted a \$4 holdup and an attempted stick-up of newsmen in the Cleveland area, using a rifle and a loaded shotgun.

Rev. Baumann Observing 10th Anniversary Here

Rev. Robert J. Baumann, pastor of St. Peter E.R. Church, will celebrate his tenth anniversary as pastor of the church, 21st street and Cleveland blvd., Sunday and in honor of the occasion the church will have a guest speaker the Rev. Dr. Robert T. Fauth, a former classmate at Eden Seminary.

Dr. Fauth, now president of the Seminary, was inaugurated as the ninth president in Oct. 1962 after serving pastorates at Peace Church, Waverly, Ill.; St. Peter Church, Tripoli, Iowa; Bethel Church, Detroit, Mich.; and Peace Memorial Church, Chicago.

He received his B.A. degree from Cornell College and a B.D. degree from Eden. He has taken graduate courses at other colleges and has served as president of the board of directors of Deaconess Hospital in Detroit and president of the Board of Christian Education and Publication of the Evangelical and Reformed Church. He is also a member of the board of directors of Elmhurst College and serves on other boards. His topic Sunday will be "What Is The Church-Real?"

Rev. Baumann in his 10 years here is active in civic and community affairs as well as in ministerial circles.

GUEST SPEAKER. Rev. Dr. Robert T. Fauth, president of Eden Seminary, who will speak Sunday at St. Peter E. & R. Church on the tenth anniversary of the pastor, Rev. Robert J. Baumann. His topic will be "What Is The Church-Real?"

Stolen Car Recovered

Madison county sheriff's deputies recovered a stolen 1963 automobile at 2:50 p.m. Monday on the Old Alton road where it was abandoned. It is owned by Russell Nixon, Jennings, Mo., and was reported stolen last Saturday.

Hearing On County Problems Canceled

Cancellation of the Illinois County Problems Commission public hearing in Edwardsville next week was learned Monday afternoon at the office of County Clerk Eulalia Hotz.

Miss Hotz said she had received several inquiries concerning the meeting, including one from Namek Township Supervisor Harry Briggs, and then telephoned directly to the chairman, State Sen. Daniel Dougherty, Chicago.

"He told me that because of the pending special session of the state legislature the meeting had been canceled and that no date had been scheduled for the public hearing in Edwardsville," Miss Hotz told the Press-Record. The hearing had been set for Jan. 9.

The hearings are being conducted throughout the state to learn problems of county government and to gather information for legislative recommendations.

Niedringhaus Ave. Crash

Autos driven by Victor Reznack, 43, of 1524 Clark avenue, and Foster H. Barnes, 37, of 2613 Edison avenue, were involved in an accident at 4 p.m. Monday at 1511 Niedringhaus avenue. The left side of Barnes' car was damaged.

DR. J. D. HANAWALT (right) is presented a plaque by the Dow Metal Products Co., recognizing his contributions in establishing the Madison plant. Dr. Hanawalt DPMC vice-president who retired from the Dow Chemical Co., Dec. 31, was cited by Gerhard Ansel (left), manager of the Madison plant, for "outstanding individual contributions to magnesium technology and dedicated leadership" which led to the founding of the Madison plant—the world's largest facility for casting, extruding and rolling magnesium.

Dr. Hanawalt Retires; Key Role In Founding Dow Plant

Dr. J. D. Hanawalt, retiring vice-president of the Dow Metal Products Co., was cited by Gerhard Ansel, DPMC vice-president, for "outstanding individual contributions to magnesium technology and dedicated leadership" which led to the founding of the Madison plant—the world's largest facility for casting, extruding and rolling magnesium.

Dr. Hanawalt, a world-recognized authority on magnesium, played a major role in establishing the DPMC plant at Madison. He was cited by Gerhard Ansel, plant manager, for "outstanding individual contributions to magnesium technology and dedicated leadership" which led to the founding of the Madison plant—a definite milestone in the development of the magnesium industry.

The Dow Metal Products plant at Madison produces magnesium and aluminum mill products and is the world's largest facility for casting, extruding and rolling magnesium.

Dr. Hanawalt retired Tuesday and will join the faculty of the University of Michigan. He joined the Dow Chemical Co. at Midland, Mich., in 1931 as a physicist specializing in x-ray diffraction.

He directed the company's metallurgical research from 1940 to 1946, when he was named manager of the magnesium department. In 1958, he was named vice-president of the Dow Metal Products Co. division of Dow Chemical.

Girl Scout Councils National Board Meeting

Mrs. John H. Marsh of Belleville, president of the River Bluffs Girl Scout Council, will go to Vassar College, Poughkeepsie, N. Y. Sunday to participate in sessions planning the training of local Girl Scout councils' boards of directors.

The five adult Girl Scouts from the 30 states will make up the national corps of local board directors.

The sessions at Vassar will brief the select group in conducting conferences to train "whole" each board of directors in its own home setting. Each member of the national corps will be committed to conduct board-training conferences in her own geographic area during the next three years.

Highly qualified volunteer and professional workers experienced in administration, and with knowledge and understanding of all phases of Girl Scouting, have been invited to serve with the training corps.

The board of directors of the national council has scheduled its own training conference for the spring of 1964 after new members of the board have been installed at the February council meeting. The focus of the conference will be on the dynamic leadership of the board of directors in administering the Girl Scout program.

'Chunk' Of Frozen Sand Pins Worker In RR Car

A General Steel Industries employee, Gary Twente, 24, of Roxana, was hospitalized here Tuesday morning when he was pinned in a hopper car by a large "chunk" of frozen sand. Twente suffered bruises and abrasions and was detained at St. Elizabeth Hospital for observation. He was taken there by ambulance.

Twente, an employee at the plant for four weeks, was working inside a hopper rail car to unload the sand when the mishap occurred.

Dorchincez's Services Held Today In Madison

Funeral services were held today at St. Mary's Russian Eastern Orthodox Church, Madison, for John Dorchincez sr., 74, of 3321 Harvard place. State had been ill for six years when he was pronounced dead at arrival at 11:30 a.m. Monday at St. Elizabeth Hospital.

Mr. Dorchincez, a member of St. Mary's Russian Eastern Orthodox Church, United Russian Orthodox Brotherhood of America and United Mine Workers' Alumni, was a retired coal miner. He had been a coal miner for 27 years and had worked at the Peabody Mine No. 9 in Taylorville when he retired.

He is survived by his wife, Mary; six children, Mrs. Stephen (Mary) Peterson, Mrs. Edmund (Ann) Crow, Mrs. Donald (Elizabeth) Warren and John Dorchincez jr., Milwaukee; 13 grandchildren, Taylorville; 13 grandchildren, three great-grandchildren.

Testimonial Dinner Tuesday For Carpenter

A Madison county testimonial dinner honoring Secretary of State Charles F. Carpenter will be held at the Alton Mineral Springs Hotel on Tuesday with Rolla J. Mortz of Godfrey as general chairman.

The dinner for the Republican candidate for governor nomination originally was set for Dec. 4, but was postponed at the request of Carpenter, who cancelled all appearances during the mourning period for the late President Kennedy. The dinner, starting at 5:30 p.m., is being sponsored by a committee of 100 county citizens, business and political leaders. Tickets are available locally from Roy M. Lynn in Granite City or Marion R. Gresham in Venice.

16 Girl Scouts Tour Press-Record Monday

Sixteen girls of Girl Scout Troop 941, Sacred Heart parochial school, visited the Press-Record Monday afternoon and watched the printing of that day's issue. The girls, who were accompanied by four mothers and two brothers, were shown the different operations performed by the newspaper.

Making the tour were Scouts Elizabeth Morrison, Patty Ahlers, Rita Ahlers, Justine Ahlers, Janet Bertacchi, Karen Spengel, Susan Mills, Pam Schaefer, Debbie Gargac, Christine Scheibler, Judy Cornaux, Diane Koishor, Irene Oros, Anne Harz, Terry Lance and Ealane Nadelaki.

Scout Leaders and boys on the tour were: Mrs. Steve (Gail) Gargac, Mrs. Leo (Gail) Kanel, Mrs. Stanley (Margaret) Kwiatkowski, Mrs. Gene (Mary Rita) Ahlers, Paul Kwiatkowski and Latur Gargac.

The tour was one of the monthly projects of the scout troop to help educate the girls in different phases of community life, according to Mrs. Ahlers.

175 Pass GED Tests Given In Quad-Cities Last Month

Over 175 Quad-Cityans last month passed the General Education Development Test, to give them an equivalent of a high school diploma, according to Harold Thomas, director of special services for Granite City schools.

Thomas said this represents a large increase over any other period that the tests have been given here. "Through the cooperation of labor, industry and the school board, we were able to give more tests than ever before." Usually 25-30 take the test each month.

Companies such as Granite City Steel, Union Starch & Refining, McDonnell Aircraft and the Granite City Army Depot are paying the cost of giving the test for their employees and supplementing time lost on the job, and in some cases paying tuition in a special course to help them prepare for the test.

Most of those taking tests last month completed a five-week course taught for 15 weeks at Granite City high school. Thomas said that approximately 400 participated in the course which ended earlier in the month.

"The large attendance in the class is probably the biggest factor in so many applying to take the test last month," Thomas said. "In other months we generally gave the exam only one time. We gave it four times last month and we expect to give it at least that many times this month."

Labor, Industry Cooperate

He said that industry is making an investment in employees by helping them take the GED test and labor is doing its share by providing facilities at the Labor Temple to take the tests.

A recent state law enabling those receiving aid for dependent children to attend the special briefing course is another reason so many are requesting to take the test. Thomas said passing the test can help many of the unemployed get jobs and those already with jobs move up to supervisory positions. He emphasized, "Both industry and labor want and need qualified people. This test is a means to make many more people qualified."

The test, which is divided into five separate exams lasting two hours each and an exam over the state and Federal Constitutions, takes two days to complete. Upon passing, the individual receives a certificate equivalent to a high school diploma and is recognized by most colleges and universities.

Last fall about 600 were enrolled in the business courses throughout the county. Thomas said, "Enrollment should increase even more, because we expect more courses to be taught in the new term. In the Quad-City area Granite City and Venice will offer the course."

To take the test a person must be 21 and a resident of the state and county. Thomas suggested that all applicants get in touch with Wilbur Trimpie, superintendent of schools for Madison county at Edwardsville.

THE LAST AND THE FIRST babies to arrive at St. Elizabeth Hospital for 1963 and 1964. On the left is the last infant of 1963, Kelly Ann Williams with her mother, Mrs. David L. Williams. She was born at 7:12 p.m. Tuesday. The first baby of the year, also a girl, Teresa Arlene, arrived at 1:20 p.m. yesterday and is shown with her mother, Mrs. William E. Morgan. Both babies are being given special gifts by Glick's department store.

Mrs. DeRuntz's Mother Dies Tuesday Of Cancer

Karlechik should have been present.

However, the board decided to wait until next Monday night's regular meeting for Supervisor Briggs and Clerk Karlechik to be present. Both were working last Monday night, it was reported.

When Cohan continued his protest, pointing out a quorum was present with Auditors William Schreiber and Robert Strackeljohn present, Polley called a point of order.

Cohan, Polley Exchange

Cohan challenged Polley, saying, "You've got a quorum here and are transacting other business. I demand action on my re-

quest tonight." Polley replied, "We've tabled it until next meeting, and that's it."

In other business, the board approved bills and accepted a check amounting to \$816 from Highway Commissioner Hanker. He explained it was state motor fuel tax funds for the road and bridge fund for township work in cutting weeds and grading ditches.

Polley reported the township should receive notification in two weeks from the Federal Housing and Home Finance Agency, Chicago office, on its application for a loan of \$15,000 for preliminary planning of the proposed township-wide sanitary sewer system. Supervisor Briggs was authorized to take action against the Helpee Selfee laundry, 8908 Collinsville road, for emptying wash water into a ditch that flows along Black line into Canebrake ditch. The laundry was given a five-day notice early last month to take corrective steps.

Car Driven Into River Recovered, Driver Safe

County authorities today are continuing an investigation of a report received about 11:20 New Year's Eve that an auto had gone out of control and into the Mississippi river at the north mouth of the Chain of Rocks Canal.

Dputies said the owner, W. Bert Evans of Mory, was able to "bail out" in time and the auto was later fished out of the river by a garage crew from Mitchell. Evans notified police of the mishap by telephone, according to the sheriff's office, but further details are being sought. They were advised yesterday by his wife that he was not at home.

She added that he had been gone from home for five months and returned two days before Christmas.

Last Accident Of 1963

The last accident report of 1963 was received from the 2500 block of Lincoln avenue, where George Graft, 2520 Lincoln avenue, reported at 11:55 p.m. that the left front of his parked 1959 auto had been struck and damaged by a hit-run driver.

The Quad-Cities' first two accidents of 1964 were just five minutes apart at 12:35 and 12:40 p.m. on Madison avenue at 24th street.

In the first crash, the southbound auto of Victor Hamilton, 185th Engineer Co., Granite City, auto of James Army Depot, and the northbound auto of James Jones, 38 of 2200 Wilson avenue, collided. No one was hurt.

While police were at the scene, Russell Norn, 20, of 1638 Edison avenue was heading south, and when he applied his brakes and swerved to avoid people in the middle of the street, his auto struck a parked car belonging to Floyd Ritter, 2517 Hodges avenue.

Family Problems

Between 1:20 and 1:35 a.m. police answered two more "family trouble" calls in the 1500 block of Joy avenue and the 2100 block of Illinois avenue. The difficulties were settled.

Then at 2:10 a.m. an accident was reported at North street and Pontoon road involving the northbound auto of Jerry Lybarger, 16, of 1713 Mitchell avenue, and westbound auto of John Jones, 19, of 1828 Wilson avenue.

The remainder of the week hours brought several more disturbances, trouble and powder complaints at Nameoki and Edwardsville roads, the 3800 block of Kirkpatrick Avenue, the 1400 block of 18th street and on Mercer drive at 3:40 a.m.

Last entry on the blotter for the 9 p.m. to 5 a.m. shift was the greeting—"Happy New Year."

Injured when a clock fell and hit her on the head, imbedding a tiny piece of glass in the top of her scalp.

The girl, Mrs. Peckles and her sister, Miss Janice Utley, 18, of 2528 Edison avenue, were en route to the hospital in a car driven by Charles A. Howerton, 22, of St. Louis, when it collided with an auto driven by Eddie D. Wallace, 26, of 2222 Washington avenue.

Mrs. Peckles suffered a concussion to the upper left arm. Miss Utley had an abrasion to the scalp and complained of a headache, and Wallace had a small abrasion to his chin and a pain in his jaw.

Mr. Howerton was not injured, given emergency treatment and released. The girl also was released after being treated at the hospital.

Howerton was not injured. Wallace was headed in the left lane of traffic on 21st street when he collided with Howerton. Wallace was charged with improper lane usage.

1st Injury, 1st Arrest

Granite City's first traffic accident injury and also the first arrest of the New Year occurred at the same time to the same individual—Robert Hedges, 34, of 3201 Rodgers avenue, at 4:36 a.m. New Year's Day.

Hedges, who suffered abrasions to his face was involved in the three-car crash at 2400 block of Madison avenue.

Two Collinsville residents were taken by ambulance to St. Elizabeth Hospital yesterday morning after their auto struck an Illinois Terminal Railroad bridge railing on Byroad 66, a mile west of Edwardsville. The car went 25 to 30 feet over an embankment and the right side of the car was ripped off.

Injured were Thomas Pegues, 23, the driver, and his wife, Mrs. Mary Ann Pegues. She complained of injuries to the chest, right arm and right leg and abrasions and cuts to the leg. He had only minor injuries.

Trash Can, Pole Struck

David B. Lewis, 19, St. Louis, a Port Leonard Wood, Mo., soldier, suffered minor head injuries at 3:15 a.m. today when he was driving west on Broadway, he struck a pole and a city trash can on a utility pole at Fourth street, Venice.

A passenger, Thomas V. Lewis, 19, St. Louis, was arrested for interfering with police as an officer tried to remove a charge of destroying city property. The property destruction charge later was withdrawn. Sanders was released on \$1 cash bond to return Saturday.

No injuries were listed for Sanders or three other St. Louis youths who were riding in the auto. Lewis said he had halted at the stop sign and that his auto skidded as he accelerated.

Crash on Highway

A Florissant, Mo., couple received emergency treatment at St. Elizabeth Hospital following a two-car crash on U.S. Byroad 66-40, east of Route 111, about 6:30 p.m. Tuesday.

They were Ralph Geringer, 55, and his wife, Emma, 57, who suffered abrasions and lacerations. Mrs. Geringer was admitted for further treatment of injuries to her left knee and arm.

State police said Geringer was traveling east, while the other auto, driven by Joseph H. Hedges, 34, of 3201 Rodgers street, was going west and passing a truck.

Auto Strikes Pole

Wanda Bilha, 28, of 2304 Grand avenue suffered injuries to her head and right knee when her auto crashed into a utility pole at West 20th street and Jefferson avenue as she swerved to avoid a collision with an auto making a left turn at the intersection. She was given emergency treatment at the hospital.

She said she was driving east on West 20th and the car in front of her indicated a stop. She started to go west and the auto made a sudden left turn. Her auto jumped the curb and hit the pole without stopping.

Survivor Eye Injured

Charles Graham, 25, of the Granite City Armory Depot, was given treatment at St. Elizabeth Hospital at 1:30 a.m. Wednesday for a laceration above the right eye which he sustained in an auto accident. There was no report of the accident filed with city, county or state police after treatment.

Forehead Injured

Ray Faulkner, 31, 304 Highway 67, Madison, was treated at St. Elizabeth Hospital at 9:45 a.m. Monday for a cut to the forehead which he received in an auto accident. He was released following treatment.

Judges Sworn
(Continued from Page 1.)

for Judge Lewis, Daisy Pasher for Judge Schuman, Lovetta Black for Judge Strasper, and Elizabeth Weaver for Judge Kinney.

Mrs. Homan Associate Clerk

Circuit Clerk Willard Portell Homan, the elected Granite City clerk clerk, to serve as associate circuit clerk for the Quad-City area.

She will supervise the activities of local deputy clerks, who will include a member of her staff, Miss Marilyn Odell; Mrs. Patsy Feebley, secretary to Justice Hartman; and Mrs. Aileen Smith, secretary to Magistrate Maguire.

Extremely wide powers are now vested in the circuit court, and the circuit and associate circuit judges will run for re-election only on their records; there will be no opposing candidates.

The judges and magistrates are not to conduct private law practices, but there have been reports that some in the state plan to continue as attorneys during the course of the terms for which they were elected. Alton Justice George Berry has dropped previous plans to resign.

Police in this area are still somewhat uncertain over the procedures to follow under the new system, but the confusion is expected to end as they become more accustomed to the new rules is that accused traffic violators will be able to gain release by posting their driving licenses or \$25 cash with an officer serving as deputy clerk.

Training For Clerks

Portell told the Press-Record that the judges and magistrates to be paid by the state, while all clerks who are appointed under the new program will be paid on the payroll of his office, the funds being derived from fees.

State police said that automatic, he said, noting that some have failed to participate in instruction courses conducted in connection with the court revision.

Mrs. Homan will be paid by the city of Granite City through her current term.

End Probate Clerk Office

Some of the duties vested in the circuit clerk office previously have been shared by the probate clerk and county clerk as well as the circuit clerk. The office of probate clerk, placed on the payroll of Jan. 1; the county clerk has other duties unrelated to the courts and continues in office.

Due to the fact that yesterday was a legal holiday, Judge's Day, the "rules of practice, general administrative orders and special orders"—drawn up by the judges after extensive consultations with various officials and citizens—did not go into effect until today.

The procedural rules outline the court divisions, jurisdiction in instruction courses conducted in connection with the court revision.

The rules list Bridick and Edgington as the attorneys designated the court locations.

The rules list Bridick and Edgington as the attorneys designated the court locations.

Gasparovic and Hartman are listed for the Granite City magistracy, section of the court which include the city of Granite City, village of Pontoon Beach, the rest of the northern half of Napoleon township and the southern half of Chouteau township.

Magistrate Boundaries

Other magistrate listings are as follows:

Wood River—Hartford, Roxana, Wood River and northern half of Chouteau township; Oliver Vernon and Delmar Adams.

East Alton—East Alton, Bethalto and Wood River township; unincorporated area of William Hubbard and Wesley Emde.

Alton—Alton city and township and Geoffrey and Foster townships; George Berry and George Roberts.

Edwardsville—Horo, Omphent, Olive, New Douglas, Hamel, Alhambra, city of Edwardsville, Pin Oak township, unincorporated area of Fort Russell and Leaf townships and the Collinsville township portion of Glen Carbon; Earl Vuagniaux, William Traub and George Barnhart.

Collinsville—Collinsville township, except Glen Carbon, Jarvis township and the unincorporated area of the southern part of Nemoek township; Ronald Daly and Douglas Jackson.

Highland—Marine, Saline, St. Jacob and Helvetia townships and part of Grantfork; Homer Post.

The procedures provide for election of a chief judge by the circuit and associate circuit judges, with the term of the first chief judge expiring Aug. 1, 1965.

Monthly Meetings

The other seven will make up a Judicial Advisory Committee to the chief judge and will meet the last Friday of each month to discuss procedures and methods for improvement of the court system.

The Jan. 6 Granite City court setting consists of non-jury cases originally filed in the circuit court of Granite City. They were called by Judge Schuman and an additional notice is being issued by Portell.

The 15 hearings include 11 law cases—Adolph Hall et al. vs. Granite City Steel Co.; Raymond Gubanski vs. Leona Voloski; John W. Stieb et al. vs. Farmers & Merchants Bank of Highland; Elsie K. Hendon et al. vs. Mary

Ellen Browne; H. J. Hallikopoulos vs. William Luck; Fred R. Boyer vs. Cecil E. Higgins; Homer McKinney et al. vs. Conrad Bauer et al.; Pete Taylor vs. Metropolitan Life Insurance Co.; Robert Rhodes vs. Terminal Railroad et al.; Granite City Trust & Savings Bank vs. Pete Deatherage et al.; and Illinois State Trust Co. et al. vs. Peter Mungie.

Four appeals are scheduled: Leo Scott vs. Trenton L. Jones; Kasper Rorzycki et al. vs. Standard Fire Insurance Co.; Thomas Smith vs. E. W. Simpson; and Mitchell Manufacturing Co. vs. Paul Harshay et al.

Historic Event

With the county, probate, city, TP and police courts being abolished and supreme court districts being altered to coincide with appellate court districts, the changes are described as the most sweeping ever to take place in an Illinois governmental structure.

Extremely wide powers are now vested in the circuit court, and the circuit and associate circuit judges will run for re-election only on their records; there will be no opposing candidates.

The judges and magistrates are not to conduct private law practices, but there have been reports that some in the state plan to continue as attorneys during the course of the terms for which they were elected. Alton Justice George Berry has dropped previous plans to resign.

Talks Planned Saturday

The County Bar Association will sponsor a meeting of attorneys at 8:30 a.m. Saturday at the Sunset Hill Holiday Inn to further acquaint them with the new court system.

Speakers will include Judges, State Sen. Dixon, State's Attorney Mudge and Illinois Court Administrator John A. Fitzgerald. Judge Monroe officiated at tonight's oath ceremony. Additional clerical swearing-in ceremonies are scheduled for Tuesday in Alton and at 9 a.m. tomorrow at the county courthouse.

Warriors, Trojans Resume League Action

By Press-Record Staff Photographers

HOLIDAY AT THE YMCA. Leisure hours aplenty were spent over the Christmas-New Year's season at the local YMCA Boys' Department as youngsters took advantage of the school vacation to participate in various sports and games.

A typical group watches as young Carl Taylor lines up a shot at the pool table. Gathered around him, from left to right, are: Mike Richardson, Mike Mize, Clyde Mize, Roger Odum, Robert Slattery, Terry Martin, Ron Buckingham, Roger Boyd and Keith Rutler. Now it's back to books for public school students, who returned to school today, and for parochial children, who return Monday.

Highland-Brings 5-1 Mark To Madison; GC Calls On Inexperienced Wood River

The hectic holiday season, athletically as well as socially, is over and everything is getting back to normalcy.

So it is with the Granite City and Madison high school basketball teams, who take on conference opponents this week-end after unpleasant experiences in holiday tournaments.

Madison's Trojans, soaked 81-59 by Collinsville in the semi-final round at East St. Louis, play tomorrow night at home against the Highland Bulldogs in a Midwestern Conference game. The Granite City Warriors, who lost two games in the Pontiac tourney, resume action Saturday night on the Wood River Oilers' court in a Southwestern Conference contest.

At present, both teams are in position for a good shot at their respective conference championships.

Highland's Record 5-1. Madison is leading with a 2-0 record in the Southwestern Conference race, who will pick it up steam this month. Each team plays a total of 10 conference games.

While the Trojans have a 6-3 overall record, the Bulldogs of Highland stand 5-1. This includes an 82-63 victory over Dupu in the Bulldogs' only conference game so far. The Trojans' Midwestern victims have been Roxana, 94-53, and Dupu, 90-75.

Highland, a 79-48 loser to Assumption in the Breese Mater Dei holiday tourney, features good overall height, with frontliners John Spengel, Jim Bauer and Jim Rehberger all standing 6-3.

In addition, Coach Roger Kesser has available a 6-5 1/2 front man, Craig Manwarner. Much of the Bulldogs' scoring punch, however, comes from guards John Duff (6-1) and Neal Quinley (5-11).

Bell Tops Trojans. Cecil Bell, last year's area scoring leader, continues to pace the Trojans' scoring with an average of just under 20 points per game. Next is sophomore guard Dale Turner with 11.7.

Bel is again one of the area's top prep scorers, but he is pummeled with several other performers (among them Assumption's Alan Thibert, Granite City's Dan King, Wood River's Alton and Belleville's Alton and Belleville).

Alton and Belleville have emerged as the big threats to Collinsville and Granite City. Alton's Redbirds, who didn't enter a holiday tourney, have a fine 6-1 record. The Maroons, now 7-3, went on a binge in the Centralia tourney and didn't lose until the final game, when top-seeded St. Xavier took the title.

Alton is 2-1 and Belleville 2-2 in conference action. Edwardsville (1-2), East St. Louis (1-3) and Wood River fill out the standings.

Venice, Lincoln Idle. The other two Quad-City prep teams, Venice at Lincoln and Venice, sat out the holiday season and will not play again for several days.

Lincoln's Rams, an independent team with a 1-4 record, play Friday, Jan. 19, against visiting Carbondale Attackers. The Red Devils of Venice are idle until Tuesday, Jan. 14, when Worden calls for a Madison-Clinton-Macopin Conference game.

The Devils are leading the MCM race with a 2-0 record but the season is still very young. The team has an 8-3 record in all games.

Strongest for Venice probably will be Breese, winner of its only MCM contest and undefeated in seven games. But the Devils don't meet the Cardinals until February, when two games are scheduled between the schools.

Several area teams outside the conference involving local teams have outstanding records at this point. St. Paul of Highland 8-1, Traylor 9-2, Marquette of Alton 7-1 and Assumption of East St. Louis 7-3.

Illini Co-Captains. Dick Burkus, junior All-American center from Chicago, and George Donnelly, junior quarterback from DeKalb, have been selected by their teammates as co-captains of the 1964 University of Illinois football team.

Other team members are Jerry Nelson, Kelly Hogen, Dave Garcia and Richard Buck. The coach is Jack McCoy.

The team won the consolation brackets in both the Granite City park district and Alton YMCA tourneys held last weekend. The squad played seven games in three days, winning five and losing two.

Waukegan Brings 7-Year Jinx Into Match With GC Wrestlers

A seven-year itch will get a thorough scratching tomorrow, but relief will be anything but easy and quick in coming.

The irritation has been bothering Granite high school wrestling teams since Feb. 15, 1957, when the Warriors went "way up north" of Chicago to take on the Waukegan Bulldogs.

It's not false that are hugging the Warriors. It's the much more painful bite of defeat.

On that particular day of 1957 Waukegan's toughies handed the Warriors a 25-15 defeat to mar an undefeated season. And it's been that way every year since the Bulldogs winning all seven matches with the locals.

Granite City gets its eighth shot at the spoilers from the north at 7:30 p.m. tomorrow in the GCHS gymnasium. Waukegan is the defending Illinois state wrestling champion.

Like Traditions. Both schools have long traditions of wrestling excellence. Since 1956, Waukegan has finished lower than fourth in the state championship series. Granite City, of course, is the perennial power in the Southwestern Illinois-St. Louis area.

But this season, both squads have suffered rare setbacks. Waukegan's string of 58 straight dual meet victories was ended by LaGrange, and the Bulldogs lost their own holiday tournament to Proviso East of Maywood.

The Warriors lost their own holiday tourney for the first time in three years and dropped their first tournament outside the area.

No State Champs. In winning the state championship last year, Coach Ott Hay's squad had four individual champions. Those four, however, have graduated and will not be active tomorrow night.

One of Waukegan's top stars, John Brooks, 112 - 10 0 1 000, Gary Ellis, 133 - 10 0 1 000, Dale Keel, 145 - 10 0 1 000, Glenn Warren, 154 - 11 0 500, Mike Payner, 138 - 10 0 1 000, Kerry Caravagh, 120 - 10 467, John Kayak, 127 - 10 1 000, Mike Andria, 133 - 12 0 333, Terry Young, 154 - 0 10 000, Benny Morgan, 165 - 0 10 000, Steve Coulter, 180 - 0 10 000.

Scope, Quality Of GCHS Yule Art Show Praised

High praise for the annual Christmas wrapping and decorating show at Granite City high school has been received from the Chicago Printed String Co., large ribbon and paper manufacturer, which sent an observer to this year's public program here after collecting Press-Record clippings on past shows.

Comments included: "An extremely outstanding demonstration. We did not realize a demonstration of such size was given in the United States. The show had the poise and sophistication of the professional, which does not often accompany school activities. We never saw in any one show before so many unusual ideas for package wrapping and other decorations."

The Chicago firm plans to send several representatives to next year's holiday art show. The annual presentation of student projects include gift decorations, table centerpieces, door displays, drawings and other artwork.

2 Enter TB Sanitarium To Receive Treatment

Mrs. Earl (JoAnn) Lloyd, Aurora, formerly of Granite City, and her son, Raymond Lee, entered Springbrook Sanitarium earlier this month to be treated for tuberculosis. Mrs. Lloyd's three other children are staying with her parents, Mr. and Mrs. Raymond Lloyd, 1115 Edison avenue.

The mother and son have been at Springbrook since Dec. 7 when a friend advised them to have a checkup after he discovered he had tuberculosis. They celebrated Christmas together and are expected to be there for an extended period.

Veterans, Widows May Be Eligible For Pensions

Disability pension and death pension may be available to certain wartime veterans and to widows of deceased veterans according to information released from the Illinois Veterans' Commission.

Joseph D. Wetton, local IVC secretary, is advising that a pension entitlement is on a year to year basis.

Persons who have been denied benefits for 1963 may be entitled to payments in 1964. Request for reconsideration and supporting evidence must be submitted. Wetton said.

A veteran must meet the medical, income and net worth requirements in order to qualify. A widow must be the legal widow of a wartime veteran who had at least 90 days service. She also must qualify under the income and net worth limitations.

According to Wetton, the pension rates payable in case of a veteran may range from \$40 for a single veteran to \$100 monthly for a veteran with dependents.

The rates for a widow without dependents may commence at \$25 monthly and range upward for a widow with dependents to \$90 or more, depending on the number of dependent children.

Persons who believe they may be entitled to benefits for 1964 may contact Wetton at his office in the second floor of the city hall in Granite City between 8:30 a.m. and 5 p.m. Monday through Friday, except for holidays.

Couple Sues Zoning Board Over Bus Garage

Efforts to prevent construction of a school bus garage near the North junior high school in the Collinsville school district have been taken to the Madison county circuit court.

Litigation seeking a judicial review of a zoning board approval and a building permit has been filed against the Madison county zoning board of appeals and Pat Urban, bus operator who provides bus service for the school district.

The plaintiffs are Glider and Louise Gwin, who maintain that the zoning board is in error in approving a petition for the garage in a residential zone. The Gwins earlier appealed the original decision to the zoning board but failed to obtain a reversal. They are asking the court to reverse the decision.

Alien Registration Begins Across Nation

The annual registration of aliens now is underway in the Quad-Cities and throughout the country with registration forms available at all post offices and immigration service offices.

Local post offices have the forms provided by the U. S. Immigration Service, and the registrations must be made this month unless the alien is accredited to certain international organizations or in the U. S. temporarily as an agricultural worker.

Last January the registrations in the Quad-Cities totaled 409, including 369 in Granite City, 125 in Madison and 15 in Venice.

Pittman, who joined the Navy in August, is serving aboard the destroyer USS Danato operating out of Norfolk, Va. The Danato is currently undergoing modernization at the Norfolk Naval Shipyard, Portsmouth, Va.

Halldeman Visiting Parents; To Return To Great Lakes

Paul A. Halldeman Jr., son of Mr. and Mrs. Paul A. Halldeman Sr., 3016 Willow avenue, is visiting his parents for the holidays.

Halldeman, who began basic training at the Naval Training Center, Great Lakes, will leave today.

He expects to graduate from his training program on Jan. 18. Halldeman is a 1962 graduate of Granite City high school.

Mail Cancellations Drop During Holidays

The volume of Christmas mail dropped in the Quad-City area in line with trends established on national and regional levels, according to local postmasters.

W. T. Overbeck, Granite City postmaster, reported out-bound mail cancellations numbered about 1,467,000 during the current month as compared with 1,602,000 in 1962—a drop of about 135,000 or 8.4%.

Harry R. Johnson, Madison postmaster, said cancellations there were down to 150,000 this year as compared to 164,000 during December, 1962. This represents a drop of 14,000 or nearly 9%.

In Venice Postmaster Charles Simmons said this year's cancellations were 29,000 compared to 37,000 for last year. This was a 8000 drop or 21%.

"This seems to be general all over the country," Overbeck said. "Here I think perhaps the drop was kept some of the older folks from mailing cards."

And Overbeck agreed with Johnson that people didn't seem to be as interested in sending cards as they used to be.

"This trend began last year," Johnson said. "We saw it coming. We dropped about 5000 last year."

All the postmasters I've talked to tell the same story. People have decided it's a lot of work to send cards and they figure: Why send cards to your next door neighbor or people you know anyway?

Other theories being advanced across the land include reaction to the assassination of President Kennedy as a curbing factor. Another is that people are putting more emphasis on the religious aspects of the season and less on social aspects such as card-sending.

Still another is that increasing costs of cards and postal rates have simply made mass mailing of cards too expensive.

Burton Taking Part In Amphibious Exercise

Ronnie A. Burton, son of Mr. and Mrs. Robert A. Burton, 2603 Madison avenue, is participating in a three-month Navy-Marine Corps amphibious training exercise in the Caribbean aboard the attack cargo ship USS Uvalde, operating out of Norfolk, Va.

New Minister In Madison Compares U. S. And Scotland

From rugby player in Irvine Ayrshire, Scotland, to seminary student in Chicago and the pastorate of the First United Presbyterian Church, Madison, Rev. Harry Colquhoun has been a man on the move.

Rev. Colquhoun, who is 29 years old, was installed as pastor of the Madison church late last year, and before coming here was pastor of Freeman-Greene-Kearney-Greene-Larger Parish in Kansas City for a year and one-half. He met his wife, Janet, while there.

Rev. Colquhoun arrived in the United States in 1958 and, as yet, has not had the opportunity to return to Scotland for a visit. In comparing the two countries he said, "The hardest thing for me to get used to was the food and the hectic pace of American life."

Slower Pace In Scotland
"I didn't think I would ever get used to drinking tea but the hot summers over here awayed me to drinking it regularly. As for American life everyone seems to be in a hurry. In Scotland people are more relaxed, not in such a hurry," he continued.

In discussing the worship services of the two countries, Colquhoun said, "Actually the services are very similar since the Presbyterian churches in both countries adhere to the Westminster Confession of Faith."

"However, there is more emphasis on singing here, while in Scotland the emphasis seems to be on scripture." He went on to say, "In Scotland the choirs do not wear robes and the services themselves are relatively simple, free from liturgy. Singing is usually done in paraphrase."

No Sunday School in Scotland
"Another big difference be-

FOOD AND PACE In America are proving to be problems for Rev. Harry Colquhoun, relative of Scotland, who is the new pastor of the Madison First United Presbyterian Church.

between the churches in the two countries is that there is no adult Sunday School classes because there is less emphasis on education and more on the theological aspects," Rev. Colquhoun pointed out.

Born and reared in Irvine Ayrshire, Scotland, he received his B.A. degree from Glasgow University in 1957 and B.D. degree from McCormick Theological Seminary, Chicago, in 1962.

He attended the Irvine Royal Academy high school where he played for the rugby team. He said "Rugby is tame compared to American football."

Asked how the Scots feel towards the United States, he believes, "Scottish feeling toward Americans and their government is very friendly. The demonstrations held in our country against the use of our ports by atomic submarines represents a very small minority of our people."

Rev. Colquhoun, whose father is a pipefitter for a gas company, has a family spread across the world. Two of his six brothers are in Australia. His sister lives in Toronto.

He said he came to the church here to get back into a metropolitan area, and he hopes that he can be of service to both it and the community.

and committee lists and so on and I started from there."

When Hoelscher took over, the association concerned itself with primarily industrial affairs. Under his leadership, however, the scope of the organization broadened and its influence and activities were felt on city, county, state and national levels. The association became quite interested in matters of the state legislature in Springfield and Congress in Washington.

Depression Years
When Hoelscher assumed his duties, the country was, of course, in the midst of the Great Depression. With Pearl Harbor, manufacturing in America included the Quad-Cities had to go all out in the war effort.

Since that time, industry has continued to grow in this area. Hoelscher has seen Granite City Steel Co., for example, grow from 1000 to about 5000 employees.

"But new plants have been a little slow in coming into the area," Hoelscher said. "Especially considering the vast development of the canal and harbor. 'Practically every plant has been updated, improved and expanded since the war. But we get proper drainage and sewer treatment, the community will have difficulty in bringing in new industry.'"

The subject of proper drainage and sewers is quite dear to Hoelscher's heart. He was very active in promoting the 1962 desegregation bond issue, serving as chairman of the Citizens Master Sewer and the Tri-Cities Chamber of Commerce Sewer and Drainage committees.

Public Service

Among his many civic activities, Hoelscher is especially proud of his record as president of the Community High School Board and his service on the State War Labor Board during world war II.

As president of the school board from 1934-1949, Hoelscher put the school system on an efficient basis, strengthened financial position and secured for the school one of the finest reputations in the state.

After he retired as board president, he was called upon to help with passage of two big bond issues worth millions of dollars. His efforts in enlisting workers and setting up efficient campaign organizations resulted in both issues passing by wide margins.

As a member of the three-man War Labor Board, he sat in on 38 cases during the war. He also remembers in the 1957 drive for funds for the St. Elizabeth Hospital addition as particularly satisfying. He played a key role in securing donations of \$25,000 from industry toward the final total of \$840,000.

Sister Helps Remember
Hoelscher said he has been involved in so many civic activities, he simply can't remember them all. But his sister, Miss Clara M. Hoelscher, is his self-appointed historian and has compiled a long list of his services.

For instance, he was president of the Illinois Industrial Council in 1937-38, president of the St. Peter & R. Church in 1948, and again in 1958, president of the Sunset Hill Country Club in 1949-54, president of the Community Chest; Hoelscher helped found the Community Chest and has remained active in its successor, the United Fund.

From 1955 to 1960, he was president of the Quad-City YMCA and, among other things, helped place the financial structure of the organization on a firm basis.

Still More Activities
He was also president of the Northwestern Division of Illinois School Board Association from 1942-47. He was secretary-treasurer of the St. Louis-East Side Traffic Conference, secretary of the Horseshoe Lake Port Development Committee and treasurer of the Central Transportation Committee of the Labor Recruitment Program.

Other chairmanships include the Madison County Citizens Planning Commission, Industrial Water Pollution, Quad-City Safety Council (which he organized), Committee for Economic Development of Madison, Chamber of Commerce Development Sub-Committee and the Chamber of Commerce's Labor Legislation Committee.

He served as director of the Madison County Tuberculosis Association. He was a board member of the Horseshoe Lake Commission, Advisory Committee of University of Illinois Institute of Labor and Industrial Relations, City Planning Commission, Granite City Civil Defense Advisory Council, Civilian Defense Council, Granite City Zoning Committee, National Recovery Act, Salvation Army, American Red Cross, Chamber of Commerce, Coordinated Youth Services, United Fund's Social Planning Council, Madison County Public Aid Advisory Committee, Metropolitan Plan Association, the National Industrial Council and the Illinois Industrial Council.

He also served on several committees of the Illinois Manufacturers' Association.

13-Month-Old Boy Dies Of Bronchial Pneumonia

Craig S. Haun, 13-month-old son of Mr. and Mrs. Orland Haun, Lyons, Ill., died at 11:05 p.m. Wednesday at St. Elizabeth Hospital where he was taken an hour and a half earlier. He suffered from bronchial pneumonia.

The Hauns were visiting Mrs. Haun's parents, Mr. and Mrs. John Wojtowicz of Granite City when the boy became ill.

In addition to his parents and grandparents, he is survived by a brother, Charles Haun, 3 1/2 years old, and his paternal grandfather, Gilbert Haun, Ashley, Ill.

An obituary notice appears elsewhere in this issue.

Chess is said to be the most universal of all games. It has devotees in every civilized land of the world.

noticed. He has received many awards from the organizations he has assisted. And, at the annual meeting Jan. 23, he will be honored by the East Side Manufacturers Association.

After 62 years in Granite City, Hoelscher and his wife may be pulling up stakes, he indicated. "Along about February, we're going to travel through the south, Phoenix, Tucson and soon, if we find some place we like, we'll sink our roots."

One thing is certain, the Hoelschers will sell their house which has become two large now, the children, son William and daughter, Mrs. Lois Senoff of Gunison, Colo. are on their way.

Parting advice: "This city has a great future if people just wake up and get going," said the man who spent all his waking hours on the go for Granite City and the Quad-Cities.

Mudge To Bow Out As County State Attorney

Dick H. Mudge Jr., Madison County state attorney, announced officially today that he does not plan to run for a third term, opening the way for a number of candidates to seek the Democratic nomination for the office in the April primary election.

"Mudge, who was first elected in 1956, said there was a purpose and an objective in running for this office. With the help of those who voted in the Democratic primary and the subsequent general election I was given a chance to keep the promises made during the campaign."

"In 1960 organized opposition formed, intent on delivering the state's attorney's office back to the same old political stacked deck, hopeful that a combination of plenty of money, discontent among the disreputable elements and its unwitting benefactors, and public apathy would combine to defeat me."

"I ran for re-election, partly in answer to this challenge and partly to test whether my kind of administration was the kind the people of this county wanted. I am thankful for their support, and may they continue to be vigilant."

Mudge did not disclose future political plans and had no comment on rumors that he may become a candidate for a judicial office, possible for appellate judge. His term expires later this year.

So far two candidates are circulating petitions for the office. They are Joseph Bartylak, Collinsville, current chief assistant state's attorney, and Terry Francis, Granite City attorney.

HONOR MR. MRS. LEWIS

ON SILVER ANNIVERSARY

A twenty-fifth wedding anniversary celebration was held Sunday for Mr. and Mrs. Lloyd Lewis at their home, 3314 Johnson road, with approximately 125 guests present. White net over pink satin covered the refreshment table, with pink and silver possettias arranged at the corners. A three-tiered wedding cake stood in the center of the table, with lighted tapers in crystal candelabra at either side.

A silver coffee and tea service adorned one end of the table with a crystal punch bowl at the opposite end from which the guests were served by Mrs. Elizabeth Wianick and Mrs. Hannah Kleinschmidt. A niece of the couple, Mrs. Brenda Barger, presided over the guest book.

Color motion pictures were made of the event by Mrs. Peggy Barger as friends were greeted. The guests included the couple's daughter and son-in-law, Mr. and Mrs. S. T. McElwain of Jonesboro, Ark., and Mr. and Mrs. Hugh Carriero and Mr. and Mrs. Alvin Lillard of St. Louis. Mr. and Mrs. Nevin West and Mrs. Lowell Waggoner of Edwardsville, Mr. and Mrs. Robert Townsend of St. Jacob and Mr. and Mrs. Minard Kinder of Brussels, Ill.

HOME FROM HOSPITAL

Raymond Duke of Wilson avenue was released from St. Elizabeth Hospital to spend New Year's Eve at home, where he will recuperate from an illness which hospitalized him last month.

Carpenter Names Smith

As Campaign Manager

(Special from Springfield)

State Rep. Ralph T. Smith, a former Granite City resident, but now an Alton attorney, has been named downstate campaign manager for Secretary of State Charles S. Carpenter, East Moline, for the Republican nomination for governor.

Secretary Carpenter made the announcement today. "I am honored that Ralph Smith's ability as a leader in the Republican party of Illinois has already recognized in his election as House Republican whip is going to manage my campaign in downstate Illinois for governor," Carpenter said.

"Representative Smith's devotion to Republican party principles, demonstrated during his five terms as a member of the House, and the respect which he has so justly earned in the legal profession and in public life will be tremendous assets to me in my campaign for governor."

Rep. Smith is a Navy veteran of world war II and saw service in Guam, Okinawa and Japan. He was first elected to the house in 1954 and has been re-elected every two years since then. He is the native of Granite City and has been a resident of Alton since 1946.

Smith received his bachelor of arts degree from Illinois College in Jacksonville in 1937 and his law degree from Washington University in 1940. He is a member of the Masons, the Shriners, the Eagles, the Elks, the American Legion, the Veterans of Foreign Wars and the Optimist club.

Watch Party At

Hendricks Home
A watch party was held New Year's Eve in the home of Mr. and Mrs. George Hendricks, 2000 Pontoon road.

Present were Mr. and Mrs. Robert L. Harris of Leisure City, Fla., former Granite Cityans, Mr. and Mrs. Leah Hughes, Mr. and Mrs. Ronald Harris, Mr. and Mrs. Louis Barnett, Tommy Barnett and David Dulgeroff.

Trailer Club Receives

Corporation Charter

The Ill-Mo Shasta Trailer Club, headquartered at the home of James L. Beckett, 2012 Garfield avenue, has been issued a not-for-profit corporation charter by Secretary of State Charles F. Carpenter.

Other incorporators are Hendricks, Zwick and Fred Heine of St. Louis. The recreational club, which includes about 20 families from both sides of the Mississippi River, features family campsites once a month during the summer and other activities in the winter.

The club's next meeting will be Jan. 11 at the local YMCA. The program will feature an hour of swimming in the "Y" pool. Beckett is current president of the club.

HOSTS FOR RECEPTION

Mr. and Mrs. John Draper held a luncheon Monday in their home, 1830 Fifth street, after which the group attended the wedding of their nephew, Carl Helgeson, and Miss Vickie Borland, both of Mount Vernon, Ill. The couple was married at the Centenary Methodist Church in St. Louis.

Rev. Robert Krause of the Mount Vernon Church officiated. Mrs. Krause is a cousin of the Mary Borland and John Shaw.

Others here were Mr. and Mrs. Bert Helgeson, parents of the groom, Mrs. Borland, the bride's mother, all of Mount Vernon, and Mr. and Mrs. Veil Mordock of Alton, Miss Mary McDuff of South Bend, Ind., Craig Lindley of Ohlone, Ill., Rev. and Mrs. Krause and sons, David, Michael and Stephens, and Mrs. John Draper Jr. and sons, John III and Jimmy, Granite City.

The group returned to the Madison home for the reception. Wedding cake and coffee were served.

NEW YEAR'S GATHERING

Members of the Temple Baptist Church gathered at the church New Year's Eve to watch the old year out and the new year in. Rev. Joseph Lacey led the group in prayer and Mrs. Dunn was in charge of the game period.

Songs were sung and sandwiches, coffee and pie were enjoyed. Al Milmoth showed slides of the building project now in progress. A new church is being built. Pictures of the groundbreaking ceremony and of the building committee were shown.

WATCH PARTY AT CHURCH

A watch party was held for members of the Church of God of Prophecy, 1732 Rhodes street, Tuesday evening. East Alton church members held their services with the Madison church.

Singing was enjoyed by the group as well as a sermon by Myrner Latham of Granite City.

Nelson Rayburn will begin duties as pastor of the church Sunday for the new year.

A continuous service was held, after which the Barritt trio, members of the church, arrived and sang several selections, spending the remainder of the evening with the gathering. Doughnuts and coffee were served after midnight.

END STUDY OF ISRAEL

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon for a study of Israel. The children made framed cloth pictures of small sailboats. The "little ship" was described as a meaningful symbol in Israel.

After the activity time, the group formed a circle and sang. Prayer was given by the leader, Miss Evelyn Barnes, who then led the group in a review, assisted by Miss Jean Anderson. It was announced that the next meeting, on Jan. 7, will start a study of the midwest and northwest. Closing prayer was by Allen Newberry.

Refreshments were served to Gary Lewis, Johnny Snider, Donald Moxes, Allen Newberry, Denise Whitton and two visitors, Linda Hammond and Larry Anderson of Worden, Ill.

ACCURATE RECORDS

NEEDED
Making notes on the barn door, stuffing canceled checks in a shoe box or keeping a simple list of income and expenses may have worked out all right for a farm business in grandpa's day. But farmers today need complete and accurate records if they are going to stay in business.

No successful business operates without good records. A farm operator cannot expect to do so either. Records are the only way to know whether a farm operation is making or losing money. They make it possible to check the progress of the farm business with other farms of similar size and type. Without complete records, a farmer will find it hard to file

an accurate income tax return. Several new provisions in the tax laws that relate to a business in town also apply to farm business. To use these new provisions, such as investment credit and changes in depreciation life, requires good records. More tax returns may be audited in the future with the installation of automatic data processing equipment. Complete farm records provide the needed evidence to substantiate returns. A new supply of the Illinois Farm Record Book for 1964 has just been received in the farm adviser's office. These books provide the instructions and forms needed to keep accurate and complete records. Get your copy now.

AGRONOMY DAY JAN. 10
All farmers and landowners are invited to attend the annual county Agronomy Day on Friday, Jan. 10 at the Farm Bureau building at Edwardsville. The morning program, starting at 10 a.m., will include dis-

ussions of crop production problems, crop varieties and weed control. George McKibben of the Dixon Springs Experiment Station of the University of Illinois will speak.

The annual meeting of the Madison County Soil Conservation District will be held during the morning session. Three directors are to be elected for two-year terms. Directors whose terms expire are chairman Arthur Schneider, Trenton; Eugene Meffert, Highland; and board member Augustin, Pocahontas. Hold-over directors are vice-chairman Ben Givins, Alton and secretary-treasurer Norman Klueter, Edwardsville. A lunch will be served at noon.

Soil management, including fertilizers, will be discussed by Lester Boone of the agronomy department, University of Illinois, at the afternoon program. Plan now to attend Agronomy Day.

DAIRY WEIGH-DAY SET

Dairymen planning to cooperate in the Dairy Weigh-Day Jan. 15 are raising some questions about weighing the milk. Not many are in the habit of weighing the milk from each individual cow occasionally to identify the low producers.

Some dairymen have regular milk scales and others will probably buy them before Jan. 15, and use them in the future to check their cows. In the absence of regular milk scales, simple platform or bathroom scales will provide accurate weights, but of course the weight of the bucket will have to be subtracted after each weighing.

Dairymen who do not have a scale or do not buy or borrow one can still participate in the Dairy Weigh-Day program by using a stainless steel dip stick from the bulk tank to measure the amount of milk each cow produces.

Here's how the stick might be used: Before Dairy Weigh-Day, pour water into a clean container one pint at a time. Make up your own Dairy Weigh-Day calibration sheet by writing the point on the calibrated stick that the water level reaches with each additional pint of water.

On Jan. 15, pour the milk from each cow into the container, and use the dip stick and your home-made Weigh-Day calibration sheet to measure the number of pints produced.

Since a pint of milk weighs approximately one pound, the number of pints indicated on the dip stick also represents the pounds of milk produced by each cow. Dairymen with pipeline systems often do not have a reliable estimate of the amount of milk produced by individual cows in their herds. Therefore, they feel the need for a convenient milk

weighing system even more than dairymen using conventional milkers.

One simple solution is not to use the pipeline on Jan. 15. Dairymen who have a milker unit that they use for fresh or abnormal cows can milk all of their cows in that unit on Dairy Weigh-Day. Dairymen with large herds can take two or three days to obtain weights for their cows.

Some pipeline dairymen may want to buy a stainless steel lift now on the market that will fit several makes of milking machine pails and can be used to collect milk from individual cows in the herd.

The lid has two hose openings—one leading to the pipeline and the other to the treat claw. The apparatus traps milk in the bucket where it can be weighed and then either drawn up into the pipeline or carried to the bulk tank.

Other commercial weighing devices are available for pipeline milking systems. One is a glass jar with callibrations in pounds on the side. Another device is a standard milker unit hanging on a set of scales. Also available are meters that register the milk from each cow on a dial during the normal milking operation. However, these meters are rather expensive. Your dairy equipment dealer may be able to help with any special problem.

A case recently reported of dairy cattle dying from poisoning apparently contracted from licking grease and oil from implements standing in the cattle yard. Tractors and machinery should not be left standing where livestock can get to it. Just why animals will eat things like grease, oil and paint is hard to understand, but they will do it. Leaving the tractor and manure spreader or other implements or wagon parked in the lot only while you eat lunch may be long enough for some of your cattle to pick up some poisonous material.

Farm couples wishing to enroll in the Farm Family Business Management course starting Jan. 7 are invited to send their names to the farm adviser's office. The group will meet once a week for five sessions from Jan. 7 to Feb. 5. Dates of the annual vegetable growers' school are Jan. 28 and 29 at the association hall near Caseyville. Programs will be mailed to growers in advance.

Drives Hand Into Glass

REMOVAL OF STEEL PILING at an Interstate Route 270 Mississippi River bridge pier near the Illinois shoreline where the concrete foundation is set. The piling was down to bedrock, 50 feet below the surface. The piling forms a coffer dam and, completely encircles the foundation. It was pumped dry for the concrete pouring. Steep from the derrick was plainly visible in the extreme cold weather.

Employed At Theater

Mathew Mehelle, 805 Grand avenue, who died on Dec. 25, worked as a maintenance man at

the Washington Theatre for eight years before his death. The Press-Record was informed today by the family.

Guitar Equipment, Two Cars Among 12 Thefts, Burglaries

Two stolen autos, both recovered, theft \$1100 worth of guitar equipment and three house burglaries were among 12 thefts reported to state authorities since Monday. A 16-year-old Madison boy was caught in one home attempting to steal a bottle of whisky.

A mahogany-colored guitar, an amplifier and auto owned by Gerald Stagner, 2609 Grand avenue, was used at a total of \$1100 were stolen from the back seat of the parked auto of Charles Thomas Tilson, 722 Washington avenue, Madison, while it was parked in front of a tavern at Eighth street and Washington avenue, Madison, between 3 a.m. and 3:20 a.m. Wednesday.

Tilson, 32, told officers he had just been entertaining with the guitar in Calokalia and had left the other equipment in the car during a 20-minute stop at the tavern while on his way home.

A 16-year-old Madison junior high school student was captured inside the home of Wade Randall, 2017 McCasland avenue, at 6:25 p.m. Monday on a charge of attempting to steal a bottle of whisky from the kitchen. He was released by Madison police Tuesday to return for additional questioning.

A 1963 auto owned by Gerald Stagner, 2609 Grand avenue, which was stolen from the Bowland parking lot, between 6:30 and 7:30 p.m. yesterday, was found abandoned in a cluster of weeds along Rock road near the Chain of Rocks canal.

The auto was located by Terry Greathouse of Granite City, a friend of Stagner's who told Madison county sheriff's officer he had seen a group of youngsters in the car earlier. The car was not damaged and nothing was missing.

Burglars apparently were waiting for Arthur Hill, 134 Broadway, Venice, of the Granite City Post-Examiner, 1911 S. State street, to go to dinner Tuesday evening.

Hill went to a luncheon at 19th and State streets for half an hour, but it was long enough for the thieves to get inside and steal \$13 from the cash register and a paper cup containing \$1.

Entrance was gained by forcing a rear door, which had been broken in an earlier burglary and had been fastened only with two nails. The break-in occurred between 8 and 8:30 p.m.

A burglary at home of a friend of Stagner's who told Madison county sheriff's officer he had seen a group of youngsters in the car earlier. The car was not damaged and nothing was missing.

A 1969 white two-door auto owned by Kenneth Paterson, 1608 Seventh street, Madison was

stolen from the 1957 auto of Keith Zinn, 2605 Center street, while it was parked during the night in front of his home, he reported to Granite City police at 2:45 p.m. Monday.

Taken from the unlocked backroom of Washington tavern, 20th street and Washington avenue, between 3:30 and 4 p.m. Tuesday was a boy's gold and chrome English race bicycle. It was reported to police by Mark Compe.

A shotgun valued at \$65 was stolen from the home of Carl Avers, Rural Route One, Highway 162, it was reported to the county sheriff's office at 5:15 p.m. Monday. The house was not ransacked. Entry was gained by prying a casing on a north window while the occupants were at church and visiting relatives.

Burglars stole \$5 in cash from the Charm Beauty Shop on the first floor of the Danner building, 1411 Niedringhaus avenue, it was discovered Tuesday morning by the co-owners, Gerry Walker, 2525 East 24th street and Mary Ann Gieseck, 3152 Davis avenue.

Police said there was no sign of a forced entry and that a door apparently had been left unlocked.

An attempt to take a vending machine off a wall at the Motel service station, 23rd street and Nameled road, was reported to Granite City police at 3:50 p.m. Monday by Carl Werthe. The machine remained secured. Nothing was missing. Entry was gained by forcing a door.

A black leather purse containing \$20 in a wallet owned by Melba June Hubert was stolen from the Belmore laundromat, 1908 Johnson road, it was reported to Granite City police at 10:40 a.m. Tuesday.

A 1959 white two-door auto owned by Kenneth Paterson, 1608 Seventh street, Madison was

reported stolen from the A & P parking lot at 9:40 a.m. Tuesday. The owner found it about 7:40 p.m. at 20th street and Delmar avenue.

A tachometer valued at \$35 was stolen from the 1957 auto of Keith Zinn, 2605 Center street, while it was parked during the night in front of his home, he reported to Granite City police at 2:45 p.m. Monday.

Taken from the unlocked backroom of Washington tavern, 20th street and Washington avenue, between 3:30 and 4 p.m. Tuesday was a boy's gold and chrome English race bicycle. It was reported to police by Mark Compe.

1914-1964 From Horse and Wagon to Space Age Astronaut! We're 50 Years Young..

serving 3 generations. 50 years may seem like a long time to most people, and it is a long time... a half century spanning two World Wars and including some of the greatest scientific discoveries of all time. We are enormously proud to have been in business for this length of time, and pleased to have been able to serve three generations of fine customers. Early in 1914, we started with one store in Granite City (remodeled several times, still operating) while our customers were singing W. C. Handy's new song hit "St. Louis Blues." In Detroit, Henry Ford set a new standard for labor wages with a fixed \$5 minimum for an eight hour day.

Brake Failure Causes Crash

Brake failure was blamed for a two-auto crash Tuesday evening at Woodlawn avenue and Maryville road. Ronald Jackson, 30, of 5023 Lakeview drive, who was going south, told police his brakes failed to function. The other auto was being driven west on Woodlawn by Joseph Kester, 16, of 2342 Woodlawn avenue.

Return From Funeral

Mr. and Mrs. Bernard Teeter and Mrs. Bonnie Rutkowski of Mitchell returned last night by jet plane from Salisbury, Md., where they attended the funeral of the father of the two women, George McMichael. They were accompanied home by their mother, Mrs. Edna McMichael, who plans to make her home here.

3 CAP Cadets Chosen For Special Activities

Three members of the Granite City Civil Air Patrol Squadron have been chosen for special activities and will be tested on their knowledge of the CAP in Chicago. It was announced by Russell Birks, squadron commander.

They are Cadet Capt. Ron Birks, cadet commander; Cadet First Lt. Betty Paul, executive commander; and Cadet Second Lt. Walter Rummel, supply officer.

Those passing the test will be considered for overseas travel for a week on an Air Force base living and performing duties of Air Force personnel.

The squadron commander said it is an honor bestowed on cadets of outstanding ability who have a certificate of proficiency, an award given for passing tests on aviation history, leadership, the CAP and Air Force technology.

TENTH BIRTHDAY PARTY

Kristina Christich was honored on her tenth birthday Sunday afternoon with a party given by her parents, Mr. and Mrs. Gus Christich, 1528 Cedar street.

The honoree was presented with a decorated birthday cake in colors of pink and white, along with many gifts she received from relatives and friends.

A variety of games was played and prizes were awarded to Cynthia Todoroff, Kathy Beck, Lynn Lovacheff, Maureen Moehle and Kay McGee.

Cake, ice cream and candy were served by Mrs. Christich.

After the party, the Junior Choir of the Bulgarian Eastern Orthodox Church went caroling in Lincoln Place. The group was chaperoned by Mrs. Dorothy Beck and Eleanor Todoroff.

Those present for the party included Debbie Laswell, Elaine Travis, Connie Beck, Elaine Todoroff, Gus Christich and Michael Christich.

CELEBRATE NEW YEAR'S

Mr. and Mrs. William Schmitt, 1614 Maple street, entertained friends in their home Tuesday evening with a New Year's Eve party.

Tino Torres entertained the guests with guitar selections. The evening was spent dancing and singing.

Various refreshments were served in buffet style. Each guest was presented with pins, horns and favors by the hostess.

The new year was greeted by Eleanor Schmitt, Specialist fourth-class Mike Whitt, Torres, Becky Torres, Amette Torres, Mary Ann Domitrovich, Kathie Domitrovich, Julianne Domitrovich, Julianne Domitrovich, Terry Pulso, Bennie Canale, Michael Schmitt, Mary Schmitt and William Schmitt.

LEAVE FOR TEXAS

5 GC Students Attend SIU On Scholarships

Five students from Granite City are among nearly 400 undergraduates enrolled on the Carbondale campus of Southern Illinois University this year who hold Illinois state scholarships.

They are Susan F. Chalupny, 3152 Princeton avenue; Sheryl Goozik, 3709 Fair Oaks drive; Charlene Landis, 2025 Dale avenue; Norma Danheiser, 2025 Russell avenue; and Eugenia Woodward, 3116 Davis avenue. The monetary scholarships, which pay tuition and fees, are awarded on the basis of statewide competitive examinations conducted for high school seniors. Winners can attend any state university in Illinois.

Books Re-Open As Holiday Closes

Classes resumed today for Quad-City public school students, and many college students have returned to their campuses to mark an end to the two-week Christmas holiday.

For Southwestern Illinois University students on the Quad-City-Edwardsville campus, it also marked the start of the winter quarter. Registration is being conducted from 8 a.m. to 8 p.m. today at the East St. Louis and Alton centers for new and returning students. Local high school students will soon be busy "hitting the books" for final examinations as the first semester at Madison, Venice and Lincoln high schools will close on Jan. 17 and at Granite City high school on Jan. 24. The new semester will open the following Mondays.

WINTER SWEETHEART of the Roca club, Miss Donna Moore, daughter of Mr. and Mrs. Paul Moore, 3706 Pontiac road. She will serve as hostess at the club's sweetheart banquet in February. A junior at Granite City high school, she is a sports enthusiast and is active in the Red Peppers organization. She currently is chaplain of the Sigma Omega Sigma Tri-Hi-Y club.

Manning Named Squire Of Year; Thurber Cited

Mike Manning, 2021 Hildebrand avenue, Madison, was named Squire of the Year at an annual banquet conducted by the Granite City circle of Columbian Squires Monday night at the Knights of Columbus home. Parents were guests as about 75 persons attended.

Afforded special honors during the event was Charles Thurber, local insurance and real estate agent, who was cited for his part in the original organization of the circle in 1954-55 and for his leadership as chief counselor for several years. He was presented with a specially inscribed desk trophy and calendar by Fred Tritsch, chief counselor who served as master of ceremonies.

Bro. Ribbing Speaks
Principal speaker was Bro. Don Ribbing, S.M., a teacher at McBride high school in St. Louis who was a charter member and an officer of the circle while in high school. He pointed to special advantages, benefits and responsibilities of membership in the national youth organization. Thurber, who was surprised by the award, traced the history of the organization here and particularly noted that some youths

who were Squires when he was active in the organization are now serving as counselors, including the chief counselor. Annual reports were presented by Benny Hildebrand, civic-cultural committee chairman; Billy Williams, social committee chairman; Jan Poulas, spiritual committee chairman; and Larry Feep, physical committee chairman.

School Activities
Other guests at the banquet included Rev. John Franklin, friar of the circle and assistant pastor of St. Elizabeth Church; James Worthen, K. of C. grand knight, and his wife, Steve Saltsch, president of the Columbus Home Association, and his wife, and Mr. and Mrs. Joe Ribbing, parents of the principal speaker.

Manning, son of Mrs. Irma Manning, is a member of the circle and is a junior at Augustinian Academy, St. Louis. He received an engraved plaque.

At school he is a member of the Honor Society, president of the Science club, a member of the Math club, co-editor of the school paper, chairman of the Sanctuary Society committee and is a member of the school basketball team. He attends St. Joseph's Church.

PREPARATION OF SCRIPT for the Snow Princess dance at the YMCA are, left to right—Louise Becherer, mistress of ceremonies; Ray Tally, master of ceremonies; and Donna Shands, assistant teenage director.

YMCA Teen Dept. Sets New Series Of Events For Season

The YMCA teenage department has scheduled a new series of programs starting this month. Juke box dances this month are scheduled for tomorrow, Jan. 10, Jan. 17, Jan. 24 and Jan. 31, while an orchestra dance will be held Jan. 18.

A new series covering dating, petting and approaching adulthood is scheduled to start Feb. 3. The Monday series will meet at 8:15 p.m. throughout the month. Speakers will include Dr. Ray Troyer and Dr. Taylor from Southwestern Illinois University. Rev. Paul Surbey, Dr. David Friedman and Dr. Alan Skirball.

A Teen Town wrestling team will be formed this month, with classes to be taught by Skip MacMillan. The team will participate in meets with Ritecure, Riverview, Ferguson and in the Ozark AAU competition in March.

Classes in billiards or pool will begin this month with Cy Clark as the instructor. Sessions for girls will be from 7 to 8 p.m. Tuesdays and 6:30 to 7:30 p.m. Fridays, with each to be followed by one-hour sessions for boys.

A reference manual, "Pocket and Three-Cushion Billiards" will be provided each participant. The cost is 25c per hour for members and 50 cents for non-members. Classes will be limited to eight.

Instruction in fencing is offered from 7 to 10 p.m. each Thursday in the auditorium. There is no charge for members. Sam Schmidt is the instructor.

Half-price sales are underway for Christmas decorations and World Service candy.

The teenage department announced that Club Room 5 soon will be equipped with a full line of automatic food machines, including hot and cold sandwiches, ice cream, salads, desserts, soda with crushed ice, hot chocolate, candy and other items.

Hard Work Required In Snow Princess Staging

The success of the YMCA Snow Princess dance last Saturday night, which drew more than 350 persons, was the result of many hours of work by members of the Teen Town council, sponsors.

Initial work performed by the council consisted of selecting the orchestra, choosing "Winter Wonderland" as the theme, electing Louise Becherer and Ray Tally as mistress and master of ceremonies, and appointing chairmen in charge of decoration programs and group.

The various phases of decorating were headed by Judi Spurrer, Lynn Shepard, Sharon Stoyoff, Nancy Bell, Billie Barney and Mary Pat Lewis.

The committee members, with a dozen assistants, began transforming the gym last Friday evening by making a false ceiling, erecting a throne and bandstand, and covering the walls with winter scenes. Decorating continued until 6 p.m. Saturday, barely giving the members time

to prepare for the night's function. At the same time, Sally Hunter was busy preparing the six-page program for the evening. The day after the dance, Pam Zimmer, who was crowned as Snow Princess of 1964, was in charge of clean-up and had to return to Teen Town to discard the reminiscent remnants of her crowning.

Initial work performed by the council consisted of selecting the orchestra, choosing "Winter Wonderland" as the theme, electing Louise Becherer and Ray Tally as mistress and master of ceremonies, and appointing chairmen in charge of decoration programs and group.

The various phases of decorating were headed by Judi Spurrer, Lynn Shepard, Sharon Stoyoff, Nancy Bell, Billie Barney and Mary Pat Lewis.

The committee members, with a dozen assistants, began transforming the gym last Friday evening by making a false ceiling, erecting a throne and bandstand, and covering the walls with winter scenes. Decorating continued until 6 p.m. Saturday, barely giving the members time
